Online Career Assessments from MyPlan.com

Career Personality Test:

Based on the Myers-Briggs Personality Type Indicator, this assessment will describe your personality in terms of dominant preferences which form 16 potential personality types. Researchers at MyPlan.com have created a system that translates personality type into practical and useful career advice, including the rank-ordering of 748 different careers based on how well they match your unique personality.

To access this assessment:

- 1) Go to <https://samford.myplan.com>
- 2) Click on "Create Free Account" button
