

2025-2026 FALL/SPRING
ESTIMATED COST OF ATTENDANCE
FOR UNDERGRADUATE PROGRAMS

WELCOME TO SAMFORD!

The Cost of Attendance is used to determine eligibility for federal student aid. Amounts reflect the *estimated costs* for a typical student in your program of study. Currently enrolled students may view the cost of attendance budget that has been used to determine their aid eligibility in the [Samford Portal](#).

Please understand that the cost of attendance includes both direct and indirect costs associated with your program at Samford University. Indirect costs are estimates of expenses that you might incur while attending Samford University. Direct costs (tuition and fees) are based on typical enrollment in your program of study. The total cost of attendance may not be an accurate reflection of the true cost of your enrollment. To view specific costs, please visit your financial account in the [Financial Portal](#).
